

{ ABOUT A SHELTERED LIFE }

A Sheltered Life is a fundraising organization founded by long-time friends after a mission trip to Medellin, Columbia in January 2012. Our trip to Medellin opened our hearts and minds to the problems with poverty and the lack of resources to deal with them both locally and worldwide. The number of homeless children in our country and abroad is estimated at 100 million.

With this in mind, A Sheltered Life was born. This is our 8th year to hold the event. In the past seven years, we have raised over \$925,000 building 37 orphanages and helping Boys and Girls Country, A Home for Children. For 2019, we are again partnering with International Cooperating Ministries and Boys and Girls Country to help children both internationally and locally. The event will be a wine paired dinner with painter David Garibaldi. Please join us for some great wine, great food and dancing.
